

## KCC Expands Restructuring Services with Title XI Acquisition

### **KCC extends capabilities for chapter 11 and chapter 7 bankruptcy proceedings with acquisition of industry-leading software and technology business.**

We are very excited to welcome Title XI's highly regarded team and industry-leading case management technology to KCC's suite of solutions.

With this acquisition, KCC makes it easier and simpler than ever for debtors, trustees and administrators to partner with a single provider to fulfill their fiduciary obligations – more effectively and efficiently.

Offering a fully integrated suite of service and technology capabilities for Chapter 7, Chapter 9 and Chapter 11 restructurings, this new combination will provide clients access to industry-leading case management software, expertise and banking solutions to achieve the best outcome for creditors – all backed by the strength and stability of a leader in bankruptcy and corporate restructurings.

For Chapter 11 clients, this acquisition gives KCC the technology, functionality and reporting expertise to hold balances in all aspects of chapter 11, including:

- DIP Accounts;
- 363 Sale Funds;
- Distribution Funds (pendency and post effective date); and
- Professional Fee Escrows (post-confirmation).

KCC will also offer relationships with more AAA-rated banks than any other provider in the industry, translating to better service and higher interest rates for our chapter 11 and chapter 7 clients.

For Chapter 7 clients, our new solution adds significant capabilities and technology to offer a complete end-to-end solution:

- Our best-in-class service model allows trustees to improve case review, accuracy and efficiency.
- Our best-in-class software includes easy to use, end-to-end case management solutions on a secure, cloud-based system.
- Partnering with KCC will streamline and automate key case management functions to achieve better outcomes and more productive case management, from wherever you need.
